Dispute Boards in the Nordics DRBF Conference & Workshops

Stockholm, Sweden • 2-4 October 2018

Stay in Control: Successfully manage project cost, schedule and performance risks

The Dispute Resolution Board Foundation Workshops and Conference will explore new ideas in effective dispute avoidance and seeks to expand on the DB's remarkable success in efficient resolution of disputes.

Come meet project owners, engineers, contractors and experienced DB practitioners focused on proven, cost effective dispute avoidance and resolution for successful construction projects.

Topics will include:

- Understanding Your Dispute Management Tools: The role of Dispute Boards in Project success
- Dispute Boards in the Oil & Gas Sector: The Nordics and Beyond
- Development Projects and Dispute Boards
- Mock DAB with commentary
- Successfully using DBs in the Nordics: The parties' perspectives
